Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicant brings to the attention of the Examiner the documents listed on the attached PTO/SB/08 form. Applicant files this Information Disclosure Statement (IDS) after the period set forth in 37 C.F.R. § 1.97(b), but before the mailing date of either a Final action, Quayle action, or a Notice of Allowance, to the undersigned representative's knowledge at the time of filing this IDS. This IDS supplements the IDSs filed on August 5, 2003 and June 28, 2005.

Under the provisions of 37 C.F.R. § 1.97(c), this Supplemental Information Disclosure Statement includes the following certification as specified by Section 1.97(e): the documents listed in this IDS were first cited in a Japanese Office Action mailed by the Japanese Patent Office on August 10, 2005 in counterpart Japanese Application No. 2002-299918, and this IDS is being filed within three months of the mailing date of that communication.

Copies of the listed documents are enclosed. Applicants respectfully request that the Examiner consider the listed documents and indicate their consideration by making appropriate notation on the attached PTO/SB/08 form.

In lieu of a statement of relevance or full translation of the non-English documents, Applicant encloses an English language translation of the Japanese Office Action, citing the documents and setting forth their relevance.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies any or all of the documents as prior art against any claims in the application and Applicant determines that the listed documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any or all of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
